PREMIER  
RECREATIONAL  
VEHICLE  
PROTECTION  
PLAN

## MOTORHOME ULTIMATE PLAN

Experience the height of protection with our Motorhome Ultimate Plan.

This premier plan covers the mechanical breakdown of virtually all parts of the vehicle's engine and powertrain, solar panels, hydronic heating, leveling systems, slide outs, all living space components, factory-installed appliances, and equipment except for a few select components outlined in the "What is Not Covered" section of the service contract.

## COACH ULTIMATE PLAN

Step into unparalleled peace of mind with the Coach Ultimate Plan.

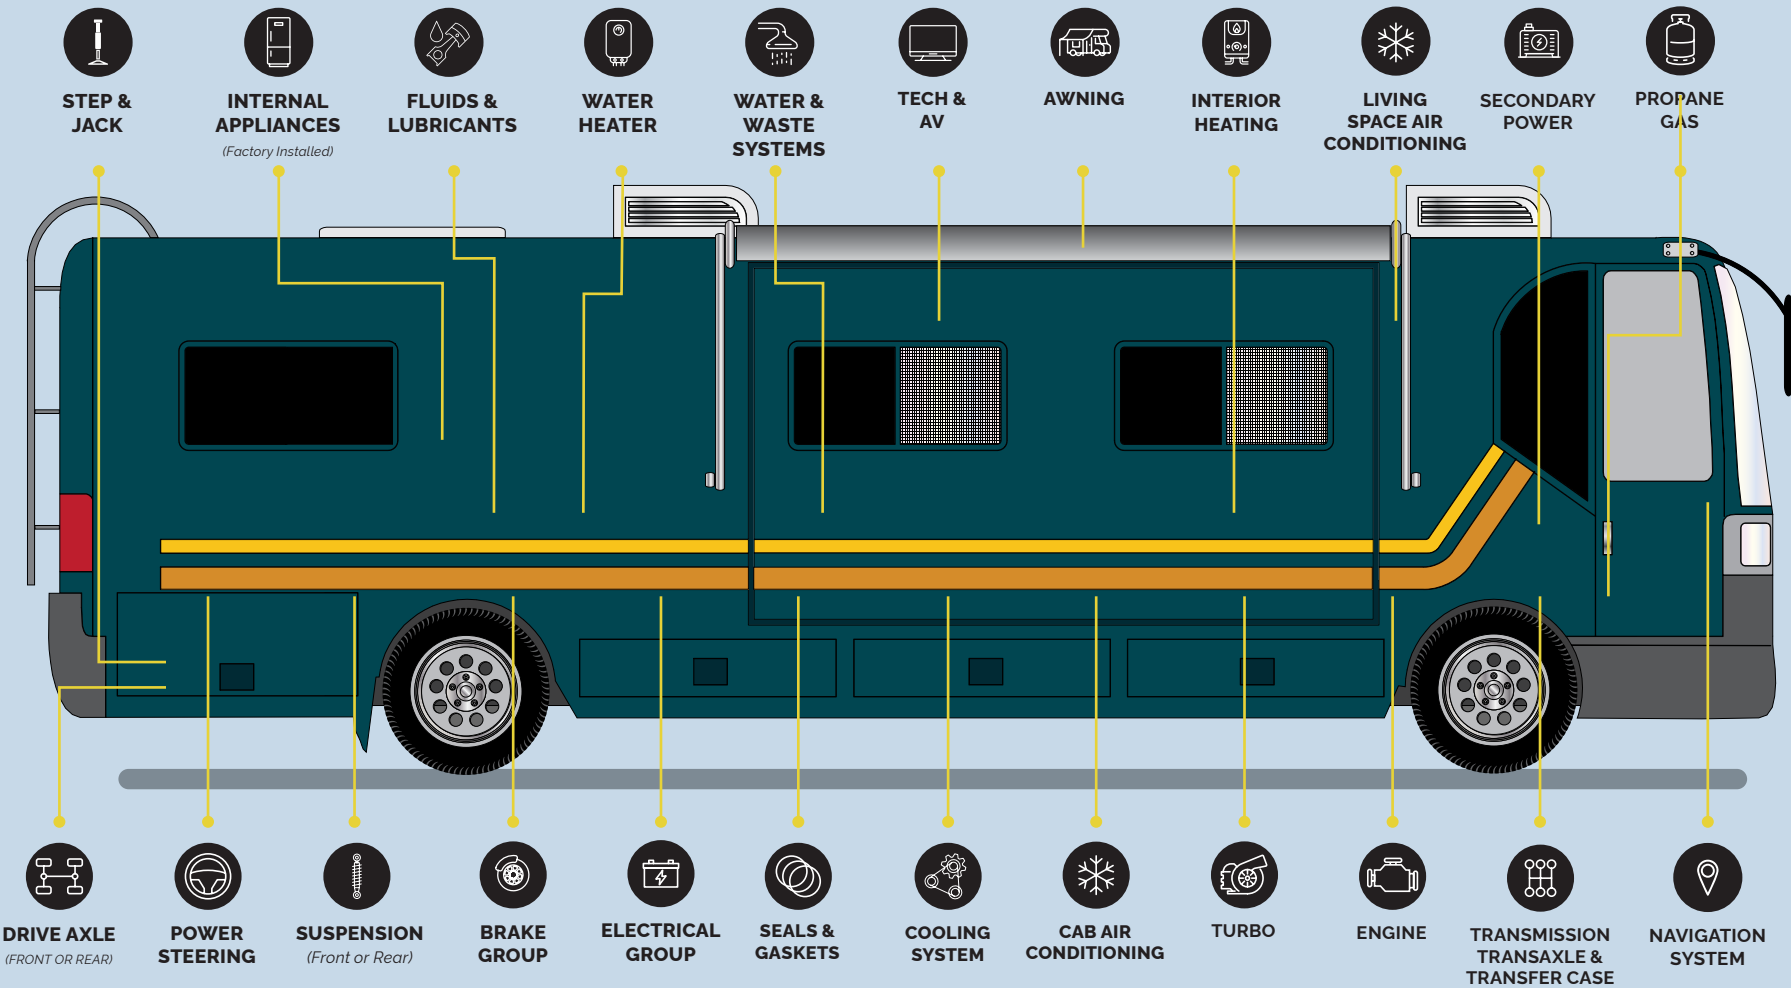

This comprehensive plan safeguards the essential living space and interior components of your motorhome or travel trailer, including factory-installed appliances and equipment, solar panels, hydronic heating, leveling systems, and slide outs excluding only those few items listed in the "What is Not Covered" section.

## CUSTOMER BENEFITS

- **Broad Coverage:** Protects a wide variety of major systems and components critical to RV functionality.
- **Flexible Terms and Mileage:** Offers a variety of term lengths and mileage limits to suit individual needs.
- **Your Choice of Repair Facility:** You choose your repair facility anywhere in the United States, ensuring coverage wherever your travels take you.
- **Peace of Mind:** Protects against costly repairs that can disrupt your journey and finances, giving you confidence in every trip.
- **Roadside assistance and trip interruption benefits included.**

## COMPONENTS COVERED BY OPEN COUNTRY ULTIMATE

## OPTIONAL COVERAGES

1. **Commercial Use Option**  
Extends coverage to vehicles used for commercial purposes, such as short-term rentals or job site transport.
2. **Service Drive Option**  
Allows the contract to be purchased separately after the vehicle sale following a seller inspection.
3. **Enhanced Mobile Service**  
Covers mobile service dispatch charges up to \$250 for covered mechanical breakdowns.

### WHAT IS NOT COVERED:

1. **For Coach Ultimate Components** - All engine parts, turbochargers, clutches, filters, tires, rims, batteries, and any components related to moving the vehicle. Interior equipment that is not factory-installed (e.g., aftermarket entertainment systems and other accessories).
2. **Situational Exclusions** - Pre-existing conditions, misuse, negligence, or improper maintenance. Repairs due to overheating, rust, corrosion, or fluid-related issues. Damage from accidents, natural disasters, or acts of vandalism.
3. **Maintenance and Wear Items** - Routine maintenance services (e.g., oil changes, tune-ups) and wear-and-tear items.
4. **Non-Covered Repairs and Parts** - Repairs covered by manufacturer warranties, recalls, or insurance. Costs arising from poor workmanship, diagnostic missteps, or unauthorized repairs. Batteries, belts, exhaust and emission systems, filters, fuses, glass lenses, hoses, light bulbs, safety restraint systems, sealed beams, spark plugs, wiper blades, and slide wiper seals (unless necessary for a COVERED REPAIR). \*See the Open Country RV Ultimate service contract for the full list.
